Compiled by the Law Revision Commissioner

Cayman Islands Government

2016

NOTE 1

This Index is published for the information of users and is not intended to be an authoritative statement of locally enacted legislation nor of United Kingdom Acts and Orders in Council in force in, or applying to, the Cayman Islands. However, every care has been taken to ensure that it is as accurate as possible. If any errors or omissions appear therein, they should be drawn to the attention of the Law Revision Commissioner, Fourth Floor, Government Administration Building, George Town, Grand Cayman, Cayman Islands, Telephone (1-345)-244-3164, in order that they may be corrected or included in the next annual Index.

NOTE 2

All Cayman Islands Laws and Subsidiary Legislation which have been published as Supplements to the Gazette since 2006 or as supplements to an Extraordinary Gazette since 2008 may be perused on the government website -<http://gazettes.gov.ky>. -under "Gazette".

CONTENTS

The legislation listed in this Index is customarily set out in three Parts. However, this year will see a departure from the norm in that only Parts 1 and 2 will be published.

1. Part 1, at pages 7 to 39, consists of-
 - (a) Laws made by the Legislative Assembly of the Cayman Islands which are in force or which have not yet been brought into force, and which have not been consolidated or revised.
 - (b) Subsidiary legislation made by the Cabinet which is in force or which has not yet been brought into force, and which has not been consolidated and revised.
 - (c) Consolidated and revised editions of Cayman Islands Laws and subsidiary legislation which have been published under the authority of the Law Revision Law (1999 Revision) and which have neither been repealed nor been replaced by a subsequent revision.
2. Part 2, at page 40, consists of the Constitution of the Cayman Islands, Royal Instructions and various measures made by the Governor or the Legislative Assembly.
3. Ordinarily, Part 3 consists of Statutory Instruments made in the United Kingdom under an Imperial Act which have been published in the Gazette since 1974 or which have been referred to in Statutory Instruments so published and includes subsidiary legislation made by the Governor under the authority of an Act or Statutory Instrument of the United Kingdom. However, some of the entries have been found to be out-of-date necessitating the temporary suspension of the publication of this Part pending consultation with the relevant authorities to ensure the accuracy of the data.

GUIDE TO REFERENCES

1. Laws (which have not been revised):

These are referred to by their number and year of enactment and are indexed according to the number of the Gazette, the year of publication and the number assigned to the supplement containing the law-

eg “G17/1999 s3” means issued as supplement No. 3 with Gazette No. 17 of 1999.

2. Subsidiary Legislation (which has not been revised):

These are referred to by their citation and are indexed according to the number of the Gazette, the year of publication, the number assigned to the Supplement containing such subsidiary legislation or, where it does not appear as a Supplement to the Gazette, the page of the Gazette on which it is. They are listed under the law or revised law under which they were made or by virtue of which they remain in force.

3. Revised laws and revised subsidiary legislation:

These contain in their short title a calendar year which indicates the year in which the revision took place. In respect of laws and subsidiary legislation which have been revised more than once, only the current revision is listed. The first page of each revision sets out the short title of the original law or subsidiary legislation and the number and year of the original law and of each amending enactment or the citation of the amending subsidiary legislation. Where such number or citation is followed by the word “(part)”, this indicates that the amending enactment contains other provisions not relevant to and not included in that particular revision.

Each revision is referred to in the same manner as laws and subsidiary legislation.

4. Citation of dates:

Where a date is given, reference is made to the day, month and year in that order- eg 10.05.97 means 10th May 1997.

5. United Kingdom Acts of Parliament and United Kingdom Statutory Instruments

The UK Acts are referred to by a calendar year which indicates the year of enactment followed, in brackets, by a chapter number which indicates the manner in

which they are cited in the United Kingdom. United Kingdom Statutory Instruments are referred to by a calendar year followed by a number which indicates the year in which they were made and the reference number by which they are cited.

6. Abbreviations:

“C.” means the chapter number of a United Kingdom Act of Parliament;

“G” means the Official Gazette of the Cayman Islands;

“GE” means an Extraordinary Gazette and is followed either by its number (1995 on) or by the date on which it was published (up to 1995);

“GN” means Government Notice;

“p” means a page of the Gazette;

“s” means a supplement to the Gazette; and

“UKSI” means a United Kingdom Statutory Instrument.

7. All Laws and Acts are, in each Part, listed alphabetically, and immediately following each such Law, the subsidiary legislation made under it is also listed alphabetically.
